4-Her Grows Some of the Best — Tobacco

Keith Dickerson appears to be following in the footsteps of his father, Raymond, and his forefathers and is on his way to becoming a top-notch dark tobacco grower. Keith, 6th grade 4-Her at Pamplin Elementary School, received a high of 101c/lb. for his best tobacco with an average price of 98c/lbs for his entire crop. Keith grows a variety of dark tobacco which is a cross between Va. 312 and Walkers Broadleaf. Keith and his father both agreed that proper fertilization, record keeping, and timely management are essentials in growing a good crop of tobacco. Planting early, plowing when it needs plowing, topping and cutting at the proper time are just some factors of management that if neglected coule be the difference between a good crop and poor crop of tobacco. His tobacco project has been a rewarding as well as a profitable experience. If all goes well Keith says that he'll see you at the tobacco market again next year. Pictured are, from left to right, Raymond, Brian, and Keith Dickerson.

Happy New Year to all!

Sunday, January 5 was a very lovely day in Appomattox and a large number attended services at Galilee Baptist Church for the first Sunday after New Years. Pastor Lawing was at his post at the 11:00 service hour, with an inspiring message. Theme for discussion "A Look In The Mirror." The message was well delivered and much helpful information was gained.

The Senior choir sang well under the direction of Sis Ann Lawing Fleshman. The day was well spent.

On Saturday at 7 p.m., January 5, 1974. The members met in the annual church meeting to formulate plans of work for the year 1975. The meeting was attended by a number of Galilees faithful members. Pastor R. Q. Lawing presided over the meeting with a very spiritual devotional period. Immediately following the devotion the pastor went in to the business session. Many plans were laid for church improvement for year 1975 by pastor and members.

Right after the business part of meeting was settled, the pastor called for the financial report for year 1974. The report was given by the Financial Clerk and Treasurer of the church, Sister H. B. Stevens and Brother John A. Watson. The membership was pleased with the years report and felt that God had been very good to the church through the year 1974.

At the close of the meeting the members returned to their several homes until called upon for another gathering.

Davis church pastor, conducted the devotional period. Narrator was the church clerk, Sis Evelyn Wright. Many beautiful musical numbers were rendered by members and visiting members from sister churches. The program was very very inspiring and helpful.

Raiders Drop Two

Appomattox County, suffering from cold floor performances dropped a pair of Seminole District Basketball games following the holiday layoffs.

Friday night Liberty got balanced scoring from Donald Day, Sam Wright and Ted Padgett to trounce the Raiders 74-53. Saturday night Nelson County showed some of last years form as the Governors took a 94-57 decision on the Raiders home court.

Mitch Eggleston led the Raiders against Liberty with ten points, but the sophomores heroics could not match the eleven point efforts of Day, Wright and Padgett. The win improved the Minutemen's record to 6-1 and gave them a tie for the district lead.

Dicky Kelso was high man for Appomattox Saturday night with eleven points and Enoch Robinson and James Robinson added six each, but James Smith poured in 38 points to pace the running Governors who held a 50-34 rebound edge.

The two losses dropped Appomattox to the bottom of the District Standings with a 2-6 record. Friday night the Raiders entertain Brookville which is 4-4 in the district.

Raiderettes Win!

Maryjane Smith scored 31 points and Jan Stanley added nine to lead the Appomattox County girls to a 50-46 Seminole District basketball victory Friday night.

Nell Hensley scored nineteen points to lead Liberty while Beth Meadows added twelve and Janet Smith scored nine.

Cindy Smith contributed five points, Debbie McIvor and Carla Lipford scored two each to help the Raiderettes cause.

The victory leaves the girls with a 4-2 record while the loss dropped Liberty to 4-3. Jefferson Forest continues to lead the district with a perfect 6-0 record.

Louise Martin's chargers play Rustburg on the road Tuesday night, then entertain Brookville Friday and Jefferson Forest the following Tuesday.

FARM SAFETY IS VICTORY OVER ACCIDENTS

Puritan Pulpit

TAKE US THE FOXES, THE LITTLE FOXES, THAT SPOIL THE VINES ..

Song of Solomon 2:15

A little thorn may cause much suffering. A little cloud can hide the sun. Little foxes spoil the vines; and little sins are mischief to the tender heart. These little sins burrow in the soul, and make it so full of that which is hateful to Christ, that He will hold no comfortable fellowship and communion with us. A great sin cannot destroy a Christian, but a little sin can make him miserable. Jesus will not walk with His people unless they drive out every known sin. He says, "If you keep my commandments, you shall abide in My love, even as I have kept My Father's commandments and abide in His love."

Some Christians very seldom enjoy their Savior's presence. How is this? Surely it must be terrible for a young child to be separated from his father. Are you a child of God, and yet satisfied to go on without seeing your Father's face? What is the bride of Christ, and yet content without His company? Surely, you have fallen into a sad state, for the bride of Christ mourns like a dove without her mate, when he has left her. And then, the question what has driven Christ from you? He hides His face behind the wall of your sins. That wall may be built of little pebbles, as easily as of great stones. The sea is made of drops; the rocks are made of grains: and the sea which divides you from Christ may be filled with the drops of our little sins, and the rock which has well night wrecked your spiritual life may have been made by the daily working of the coral insect of your little sins. If you would live with Christ, and walk with Christ, and see Christ, and have fellowship with Christ, take heed of "the little foxes that spoil the vines, for our vines have tender grapes." Jesus invites you to go with Him and learn of them. He will surely, like Samson, take the foxes at once and easily. Get rid of the little sins that there may be no hindrance between you and your Lord.

Monkey Business

A serious-minded high school student's search for facts and fallacies relative to the alleged incompatibility of the Bible and modern science forms the backdrop for a sparkling motion picture drama to be shown at Evergreen United Methodist Church on Monday night, January 13, at 7:30 p.m.

Entitled "Monkey Business," the fifty minute color film traces the adventures of a teenager named Jim and his impetuous friend Toby. "Face it," Toby says, "monkeys are an awful lot like people." To which Jim counters, "I believe God created monkeys to be monkeys, just as he created people to be people." From these two viewpoints springs a story that swings the gamut from cinematic mirth to a bedrock search for spiritual and scientific truth.

The two boys visit the head of a university biology department, a professed evolutionist who soon de-bunks carefully documents problems he faces in seeking to trace species-to-species development. The biologist then introduces Jim and Toby to one of his junior instructors, a man who has given considerable study to the Bible and science. Through the aid of these two educators, the boys come to an invigorating respect for both science and the Bible.

"Monkey Business" is a Youth Films release. Youth Films, with headquarters at Muskegon, Michigan, also produced "Misfit," "Fast Way Nowhere" and "Bobby Richardson Story." Each of these films is available without charge for showing in high schools throughout North America.

The public is cordially invited.
